Every gift, ticket, sponsorship, and auction item goes through **one online form** on our gala page. It takes about a minute, and it makes sure every supporter gets a thank-you note and a receipt.

FOR DONORS & GUESTS

How to give

- 1 Scan the code or go to **frcrcrowsneck.org/gala**, then tap the button for the form.
- 2 Enter your name, **email**, and **mailing address** so we can send your thank-you and receipt.
- 3 Fill in any that apply. One payment can be split across these:
Donation · a general gift
Number of tickets · \$50 each, added up for you
Sponsorship · business or family sponsor
Auction item I won · paying for an item you won
- 4 **Donating an item to the auction?** Check the box, then describe the item and give its estimated value.
- 5 Choose how you'll pay (**Pay online now**, **Check**, or **Cash**), then tap **Submit**.

Paying online? After you submit, tap **Pay now** and enter the amount shown. You can use a debit or credit card, PayPal, or Venmo. **You don't need a PayPal account.**

FOR VOLUNTEERS

Helping someone give

Email is required. The form won't submit without one, and there's no way around it. Ask first.

Always get a full mailing address. Karen uses it to mail thank-you notes and donation receipts.

- ◆ Use the form for **every** gift, ticket, sponsorship, and auction item, not paper, so nothing gets missed.
- ◆ Pull up **frcrcrowsneck.org/gala** on your phone, or have guests scan the code and fill it out themselves.
- ◆ **Won an item** and **donating an item** are different: "Auction item I won" is for paying for a win, and the checkbox is for giving an item to the auction.
- ◆ For card, PayPal, or Venmo, have them choose **Pay online now** on their own phone. Enter each gift only once.
- ◆ Wait for the **"Thank you!"** screen before moving on.
- ◆ If the form gives you trouble, write the details down and let Tamara know. We'll enter it later.
